

## ***Celebrating The Best of Australia's Manufacturers at the 2023 Manufacturers' Monthly Endeavour Awards***

*Celebrating 20 years in 2023, the Manufacturers' Monthly Endeavour Awards are recognised as the premier Awards program within the manufacturing industry.*

On Thursday 30 November, the *Manufacturers' Monthly Endeavour Awards* will celebrate companies and individuals who have demonstrated innovation and excellence, as well as those who have championed the manufacturing industry.

The evening will present an opportunity for all involved in manufacturing across Australia to celebrate some outstanding achievements from the last 12 months, to network, and to learn more about the many remarkable personalities and enterprises that contribute to developing a solid industry.

In 2023, the *Manufacturers' Monthly Endeavour Awards* celebrate 20 years of recognising incredible achievements by both individuals and companies across Australia.

According to Lauren Winterbottom, the *Manufacturers' Monthly Endeavour Awards* Event Manager, these awards offer members of the manufacturing industry a chance to showcase their accomplishments. "We have received excellent submissions, and we strive to maintain this level of quality for the next 20 years and beyond," she said.

The award categories presented in the 2023 *Manufacturers' Monthly Endeavour Awards* are:

- Technology Application Award
- Environmental Solution of the Year
- Outstanding Start-Up Award
- Safety Solution of the Year
- Excellence in Manufacturing Skills Development
- Leader of the Year
- Most Innovative Manufacturing Company Award
- Excellence in Growth
- Project of the Year
- Manufacturer of the Year
